Opensource projects

OnionGather

python.js

Onion Gatherer is a Google Chrome extension and a server component. It allows Tor users to know the hidden service status without testing them time to time.

🔗<https://github.com/rfidlabsapienza/onionGatherer-Server>

🔗<https://github.com/rfidlabsapienza/onionGatherer-ChromeExtension>

HiFretta

node.js

HiFretta! Roma bus is a Facebook bot developed to provide informations about buses waiting time and ATAC line.
